CULLERA, PARADISE IN THE MEDITERRANEAN

Location ...

Cullera is a municipality located in the province of Valencia. It has a privileged situation: bathed by the sea, surrounded by the mountain and crossed by the Jucar river.

??? About Cullera ...

40km distance from Valencia city.

Area : 53,82km²

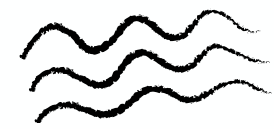

Population (2023): 22,937 residents.

Offer ...

Cullera offers a range of possibilities to give you the best possible experience.

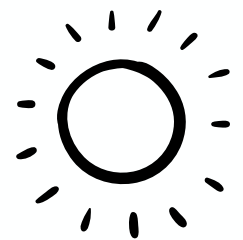

WEATHER

Mediterranean climate

The Mediterranean climate is characterised by its warmth, humidity and low rainfall.

Sun

Cullera, with a total of 321 days of sunshine, is a perfect destination to enjoy outdoor activities at any time of the year.

Temperature

The average temperature in Cullera is 16 degrees Celsius.

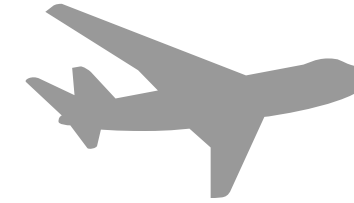

HOW TO ARRIVE?

There are several ways to arrive to Cullera...

BY PLANE

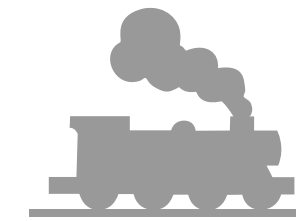

By plane, Valencia airport Manises 40 km from Cullera.

BY CAR

The AP 7 motorway (Favara 59 exit), connects Cullera with Valencia, Madrid, Barcelona and Alicante (links to the European network).

BY TRAIN

Connections to Valencia and Gandia every half hour by regional trains, and connections with Madrid by High Speed Train.

BY BUS

Regular bus lines from Madrid, northern Spain and the Costa Blanca.

OUR BEACHES

15KM

The beaches of Cullera are guaranteed by the concession of various environmental and quality certifications that accredit their good condition as well as their constant improvement, representing a constant commitment to the pursuit of excellence.

NATURIST BEACH

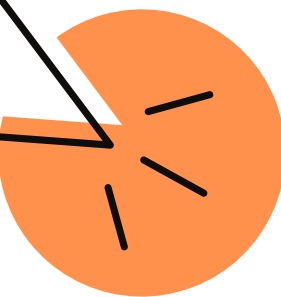

Mareny de Sant Llorenç beach.
